

**Summer Gliding Camp
1–14 July, 2018**

Dear All,

For the 8th year in a row we kindly invite you to our unique camp – summer gliding camp. There is only one gliding camp in the world and it takes place in Lithuania! Don't miss a unique opportunity to learn to reach for the sky!

Let's fly!
Vilnius St. Christopher Rotary club

- Location:** [Pociūnai](#), Lithuania
- Date:** 1–14 July, 2018
- Participants:** 12 participants, limited to two participants per country (one boy and one girl)
Participants' age: 12–15 years old
- Program:** 1st week: gliding tutorial
2nd week: practical gliding activities
In case of unsuitable weather for gliding, day trips to Vilnius, Trakai, Kaunas and Druskininkai will be organized
- Requirements:** Each participant must have parents' consent and health insurance (no special health insurance is required for gliding)
- Language:** All participants **must be fluent in English** since this is the gliding instruction language
- Accommodation:** Camp participants will stay at the aerodrome's motel, 2–4 participants in one room

**Rotary International Lithuania
Youth Exchange Program**

Rotary International Lithuania Youth Exchange Program

What did I enjoy the most in this camp?
The answer is obvious – I enjoyed gliding with a professional instructor. We reached 400 meters height. It was wonderful. It was one of the best experiences I have ever had.

- Felix Finkbeiner from Germany

The most wonderful experience in this camp was gliding in 300 meters height. I had an opportunity to control the glider for 10 seconds. It was an incomparable experience! I also enjoyed a trip to aqua park and shopping mall.

- Robert Paulinsky from Slovakia

Before this camp, I have never tried pork in my life. Now I know how it tastes, and I know it tastes different than chicken.

- Mina Ulgen from Turkey

It might sound a little odd but I'm always very happy to see tears in the eyes of camp participants at the end of the camp. Then I know, that everything went very well.

- Arminas Murauskas,
St. Christopher RC
